## Custom Remaps From

# £169

We have a workshop at Crosshands where we are based or can will travel to you, we check your vehicles Ecu memory for problems Free of Charge and then if OK carry out the remap to your vehicle for you with a Custom Written Map and road test the vehicle with you after to ensure all is well and you are happy with our work.

"Car going Great & doing more MPG!" Keith

All our maps are Bespoke and are written for your vehicle for Performance or Economy or Both. We hold the original file should you ever want it returned back to standard.

The Remapped files have been written and tested on rolling roads and carry a Lifetime Software Guarantee for your peace of mind.

So Please Visit our FaceBook page to see some of the Latest vehicles we have remapped and Offers we may have on.

## ATM Chip tuning Agents

### Our Service

We create Custom files for your car with the aid of our tuning partner Atm Chiptuning.

Our own in house Dyno Dynamics AWD rolling road is used for map development and testing power gains achieved.

We also have our own genuine map editing software packages from Winols, Swiftec and ECM.

We use these to produce top quality reliable custom remaps for your vehicles.

**APR Tuning Agents**  
**TDI Tuning Agents**  
**ATM Chip tuning Agents**  
**PERON Tuning Agents**

The screenshot shows the SCM Remaps website. At the top is a banner image of a blue Audi car with the 'SCM REMAPS' logo overlaid. Below the banner are logos for PERON, atm, APR, SCS, TDI-tuning, and TERRACLEAN. A red navigation bar contains links: Home, About Us, What Is Remapping?, Prices, Services, Gallery, and Contact Us. The main content area features a 'Tuning files' section with a form to select a car. The form has four dropdown menus: Make, Model, Generation, and Engine. A sidebar on the left contains the SCM Remaps logo, a 'Login instead' link, and contact information: 01269 842030, Mail us, and Visit website.

(The logs are displayed at the top)

**SCM REMAPS - AUTHORISED PERON DEALER SOUTH WALES**

We are proud to be an authorised dealer in South Wales for Peron Performance . Peron are a premier performance design house that fuses industry-leading manufacture and precision design with superior components and bespoke automotive tuning packages.

They offer cutting-edge technologies and market-leading race to road products you won't find elsewhere, to take your driving experience to the next level.

If you are looking to have your FORD ST or RS remapped you cant get any better than having a Peron remap through SCM Tuning and Performance Centre.

If booked and purchased through ourselves, prices start at £479 for a PERON stage 1 map on a Ford Fiesta and includes dyno runs on our in-house Dyno Dynamics 4WD rolling road.
